1. Introduction

This Service Delivery & Parts Delivery Policy outlines how FixNex (“we,” “our,” or “us”) handles the delivery of services and any physical products associated with our platform. By booking a service or purchasing from FixNex, you agree to the terms outlined below.

FixNex primarily provides **on-site maintenance services**, but may also deliver parts, equipment, or products as part of a service or standalone purchase.

2. Service Delivery (On-Site Services)

FixNex will make reasonable efforts to notify you of any delays.
